

CHILDREN'S GRIEF SUPPORT GROUP

Children grieve very differently than adults and often experience feelings of isolation, confusion and despair. Community Hospice is dedicated to helping children and teens who have experienced a death loss through our Children's Grief Support Program.

Group Grief Support provides children and teens the opportunity to participate in activities that help them express their thoughts and feelings, adapt and cope with the many changes in their lives and memorialize their person who has died. Group participation is determined based on a child/teens age.

Groups meet from 4:00-5:00 p.m. at 4368 Spyres Way, Modesto, CA 95356.
Individual grief support is available for children and teens ages 6-17.
